

Reminders for the Orchestra Winter Concert Thursday Dec.14th:

Students please remember there is a required **dress rehearsal at 5:30 pm** for FHS orchestra students.

Dress should be concert black (no tie needed for concert blacks, however, you may add some holiday flair with a colored tie or similar accessory item).

We will run through the concert material with the percussion and piano parts on stage during this time.

The doors will open for parents and audience seating between 6:30 and 6:40 at the end of the dress rehearsal.

The concert will begin at 7:00 pm.

I have attached the concert poster to the website and google classroom if you would like to print it to invite a friend or family member. Also we handed out some in class.

The orchestras have been working hard on their parts and it promises to be an enjoyable performance with several familiar pieces and some interesting musical highlights.

See you at the concert!
