## 8th Grade ORCHESTRA

### First Week Announcements:

Welcome to your 8th grade Orchestra!! I anticipate a wonderful year of learning and music making!!

We will be posting announcements and information throughout this school year for you and your parents both on Google Classroom and here on the orchestra website!!

We will start with some fun activities and getting to know each other, so no need to bring your instruments until we make that announcement!!

There will be an "Instrument Night" on Thursday, August 16, 5:00-7:30 at FHS Performing Arts Center (Orchestra Room)! If you do not have an instrument and need to get one for the school year please plan to attend.

Some of the local Music Stores (specializing in strings): Palmer Violins, Saied Music and Palen Music will be on site if you need to rent an instrument for the year.

Please go to our website for information and links.
